To

The Revenue Secretary to Government,

BANGALORE.

Sir,

X With reference to your letter No.L.704-Med.121-20-4 dated 3rd August 1921, I have the honour to state that the unsatisfactory condition of patients in the District Head quarter hospitals has been already allowed to continue too long and it is found impossible to continue it any longer. I therefore beg to resubmit the matter for very early orders. To find funds for this extra cost, I propose to reduce the number of passed medical pupils from 30 to 18, as that number will be sufficient for the purpose of the Department and to utilize the saving of Rs.360/- a month thereby affected in entertaining 9 additional Nurses, 2 for each of the District Hospitals of Kolar, Tumkur, Hassan and Chitaldrug, where there are no nurses now, and one extra for Shimoga where the existing two nurses are found to be inadequate. (A.)

2. I request the favour of very early sanction to the proposition statement submitted herewith.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Senior Surgeon.

The S.S has spoken to me in the matter
twice. He has assured me that he
can get on with a fewer no of Medical
pupils so long as their services are always.
He says he would not ask for the
full no. of medical pupils till the financial
situation had improved. I think there is
is urgent necessity to augment the nursing
staff in the District Hospitals.
